Unique Feature of LG RD-6230

MP3 Ringtones

Upto 14 MP3 songs (Max 30 Sec or 500 KB) can be stored in phone's internal memory and can be assigned as a Ringtone.

MP3 Player

LG RD-6230 has inbuilt MP3 player. Select upto 250 songs in one time and play continuously from external memory (depend on miniSD card capacity). 3 types of skins are available for MP3 player.

External Memory (miniSD card)

RD-6230 has inbuilt Hot swappable slot for miniSD memory card. Without switching off the phone user can change memory card. This phone supports various size of miniSD Card. Upto 512 MB is recommended. You can copy or save video and photos to external memory.

Camcorder

Select External memory storage and you can save upto 60 minutes video recording with voice (depend on available memory in miniSD card).

SMS on Call Reject

Send an instant message to caller, if you are unable to attend the call or don't want to receive the call. Press Soft Key 2 during the call to reject the call and sending a SMS to caller. This message can be edited in Setting > Call menu.

D-Day Counter

Calculate days through D-Day counter. Just enter the important date and the phone will show that how many days passed or left since set date. 5 items can be stored and 1 can be displayed on the idle screen.

Animated Ring tones (PMD)

RD-6230 has 5 built-in Animated Ringtones. This shows wonderful animation with ring on the incoming call.

Reserved Call

This feature allows you to create calls with dialing Date and Time. You can also assign the Ringtone type and can write a memo with each entry. Phone will alert you on the set time to make the call. Upto 5 entries may be stored.

Signature

There is a signature facility in your RD-6230 mobile phone for messages. Signature of upto 15 characters can be edited.

Advance Messaging

Use SMS (160 Characters), LMS (462 Characters), MMS (1000 Characters + 1 Picture + 1 Sound). SMS/MMS to E-mail. Group messaging.

Flash Light

Use powerful flash light in dark by just pressing **Torch** button in idle mode. This flash also can be used with Camera to take photo or video in the dark.

Shortcut keys for all regular functions

LG- RD 6230 has shortcut keys for all frequently used application such as *Camera, Scheduler, R-World, Profile, Message, Ringtones, Flash Light, Speed dial, My Menu, Call History, Keypad Lock, Vibrate Mode, Speaker and MP3.*

Message Locking facility

You can lock your Archive message folder using a password. Upto 30 messages can be stored in Archive folder.

Airplane Mode

This “Airplane Mode” function will turn off Radio Frequency (RF) of mobile, so user can not make and receive voice calls, Send-Receive SMS and Data Communication etc. but user can use the other features, such as Camera, MP3, Games, Scheduler, Memo etc.

BREW Technology

BREW (Binary Runtime Environment for Wireless) is a solution developed by Qualcomm for downloading small applications and content to mobile phones. Found almost exclusively in CDMA phones. RD 6230 is powered by BREW.

1234 Services

Exciting SMS-based information services such as News, Jokes, Horoscope etc are available to Reliance subscribers. Using the SMS 1234 services, the user will be able to access interesting information on common subjects through SMS. User need to send Keywords in specified format to 1234 to access these services. User may select from 11 options (1. News, 2. Cricket, 3. Joke of the Day, 4. Thought of the Day, 5. Contest, 6. Beauty Tips, 7. Health 8. Horoscope, 9. Bill Info, 10. Unbilled Info, 11. Help)

In Call Memo

It allows you to note a phone number that the other person provides you during a call. The number will be stored in the call history with Date, Time and Caller’s name or phone number. Upto 20 may be stored.
